

Care Instructions

Cross Oval Coffee Table

Cross Oval Coffee Table – designed by Matthew Hilton

To prolong the life of the product and retain its appearance and functionality, we would like to give you some relevant information and care advice:-

This unit is manufactured with either oak or walnut.

Craftsmen manufacture this product and there is variety between each unit. This is because wood is a natural product, with natural colour and grain variations.

Natural timber is affected by sunlight; this can can the wood colour to darken. For this reason (especially if placed in direct sunlight) it is recommended that placing objects in the same position for long periods of time is avoided. This potential colour adjustment becomes less relevant as the product ages.

It is recommended that no abrasive cleaners or solvents are used to clean the unit. Please only use proprietary furniture polishes or alternatively, warm water with a diluted mild detergent.

We thank you for purchasing this product and wish you many years of enjoyable and functional use.

Assembly Instructions

Required

Step 1. Attach brackets fitting F to the legs ensuring that the bracket wing faces towards the bottom of the leg as shown below. attach with fitting E and fully tighten.

Step 2. Attach the legs to the table top aligning with the dowel fitting A and using fitting C in the outer hole on the leg and fitting B towards the centre. Lightly tighten fittings B and C.

Step 3. Insert the crossbar with the holes facing towards the plates on the legs. With assistance raise both sides of the crossbar and insert fitting D through the plates into the holes on the crossbar and fully tighten. Go back to the fittings on the legs fittings B and C and fully tighten these. Carefully turn the table over.
