Prinds Table

Jenkins & Uhnger

Created by Oslo-based design duo Jenkins & Uhnger, the Prinds table effortlessly combines style and practicality, making it perfect for compact living spaces. It features a high-pressure laminate top, a material characterised for its remarkable strength and durability, and sturdy, powder-coated legs equipped with adjustable plastic glides for stability on uneven surfaces.

Designed to seat up to four, it's a versatile addition to any living space and can serve as both a dining table or workspace.
