

Causeway Vases

Aaron Probyn

Causeway Vase
Aaron Probyn

Inspired by the interlocking stone columns of Ireland's Giant's Causeway, the Causeway Vase designed by Aaron Probyn reinterprets the famous rock formations in a sleek, pentagonal form.

Made from blown glass, its textured finish gently diffuses light. Available in three heights, it works equally well as a standalone piece or grouped together in a more striking arrangement.

Made in China.

Dimensions

Low
Ø150 H270
Ø5.91" H10.63"

Medium
Ø150 H190
Ø5.91" H7.48"
