

# CORE

The heart of your connected landscape system. The Core is a weatherproof smart hub with a built-in driver, engineered to unlock the full potential of your outdoor lighting.

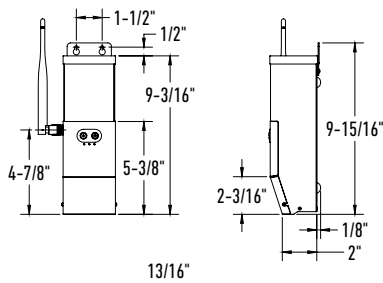

DCP-MTR

## Model

### DCP-MTR60

60W low-voltage smart magnetic transformer

## Specifications

Input 120V AC, 50/60Hz, Output 24V DC  
Integrated junction box with multiple knockouts  
Circuit breakers protect both the driver and LED load  
Black powder-coated metal enclosure  
Rated for dry and wet locations  
Encapsulated EI-core magnetic transformer  
Fanless design with free-air convection cooling  
Operating temperature -20°C to 70°C  
Vertical mounting with keyholes at the top  
Power factor 0.9  
Thermal class B (130°C)  
Supports Wi-Fi and BLE Mesh  
Works with the Dals Connect app  
Compatible with Google Assistant and Amazon Alexa

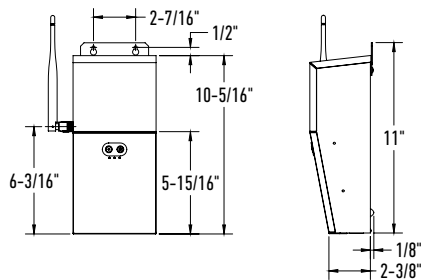

## Download the Dals Connect app

Create groups  
Set schedules  
Remote access  
Compatible with Google Assistant and Amazon Alexa

### DCP-MTR300

300W low-voltage smart magnetic transformer

## Finish

● BK Black
