Soho Dresser

Assembly Instructions

Revised 7/13/24

dadada

Your baby's first...

We believe every family deserves beautiful spaces, quality construction that spans generations, and the peace of mind that comes with knowing their baby is at the center of everything we do.

dadada is modern nursery furniture designed with baby's first moments in mind. From form to function, base materials to baby-safe finishes, each piece is created to grow alongside little ones and provide parents with a trusted foundation for their family's most precious memories.

what makes us special?

thoughtfully controlled manufacturing

all our cribs are manufactured in Italy in well-established, certified factories that use state-of-the-art modern technologies.

one-year warranty on our dressers

we guarantee the quality of our products and offer a limited warranty to protect you against product failure or damage.

baby-safe finishes

our paints and stains are ALWAYS lead and phthalate free, and meet strict juvenile and industry safety standards.

affordable luxury

we sell our modern, beautifully designed pieces at attainable prices because we believe that every baby deserves the absolute best in design.

sustainably minded, durable materials

we use hardwoods that are not only aesthetically beautiful, but also strong enough to last generations, reducing the amount of disposable furniture that finds its was to our landfills.

GREENGUARD Gold Certified Cribs

for indoor-air-emissions testing according to stringent requirements exceeding the State of California indoor air quality for schools and GSA standards.

dadada®

Thank you for purchasing our product. Please follow these assembly instructions carefully - they will save you time and make assembly easier and prevent possible damage to your new dadada furniture.

We strongly recommend assembling this unit on a soft surface, like carpet or a blanket.

When moving dadada furniture, always lift the product off the floor. Dragging or sliding the furniture can both damage the product and scratch your floors.

CAUTION

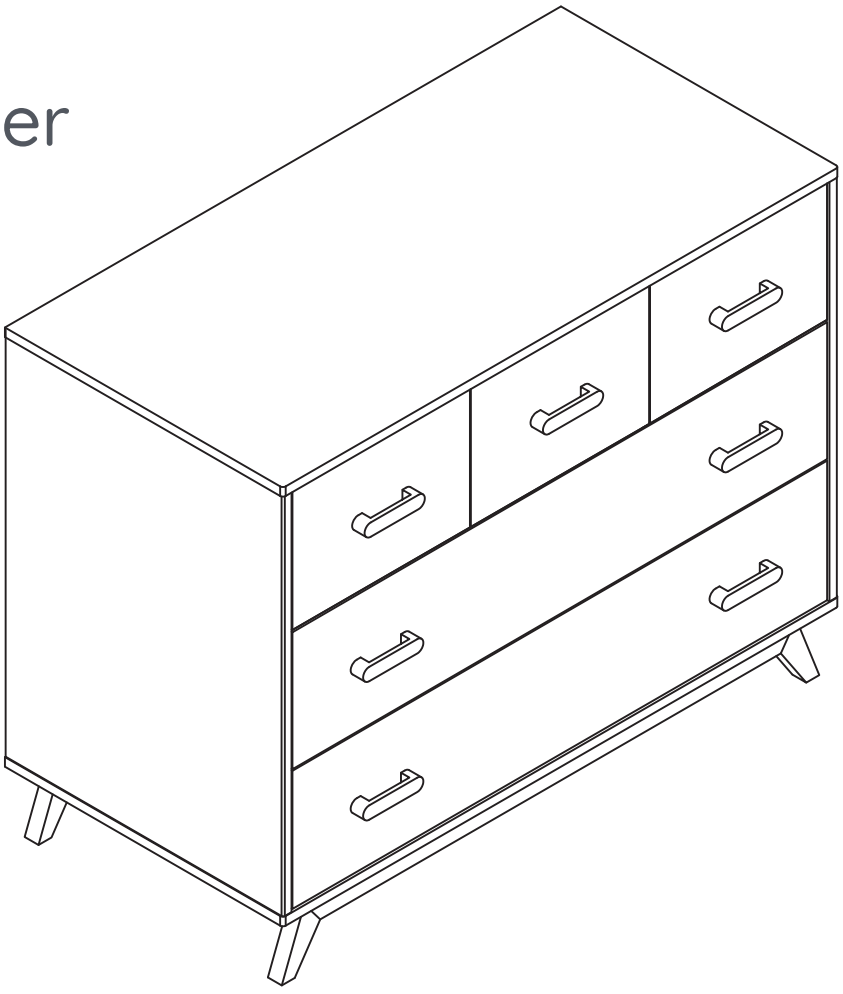

- READ ALL INSTRUCTIONS BEFORE USING THIS PRODUCT.
- KEEP THESE INSTRUCTIONS FOR FUTURE USE.
- NEVER PUT YOUR BABY ON TOP OF THE DRESSER WITHOUT A CHANGING TRAY

Before you start to assemble, we highly recommend watching the instructional video on our website: dadadababy.com

Refer to Step 27 for drawer installation

Furniture Anti-Tipping Kit Installation

⚠ WARNING

Children have died from furniture tipover. To reduce the risk of furniture tipover:

- ALWAYS install Anti-tip device provided.
- NEVER put a TV on this product
- NEVER allow children to stand, climb, or hang on drawers, doors, or shelves.
- NEVER open more than one drawer at a time.
- Place heaviest items in the lowest drawers.

This is a permanent label. Do not remove!

The hardware provided is for masonry or drywall without available wood stud. Please contact your local hardware store if you have questions regarding your wall material.

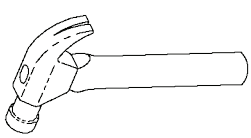

Tools Required for Assembly

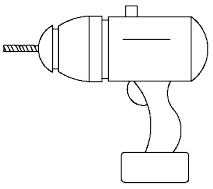

(not included)

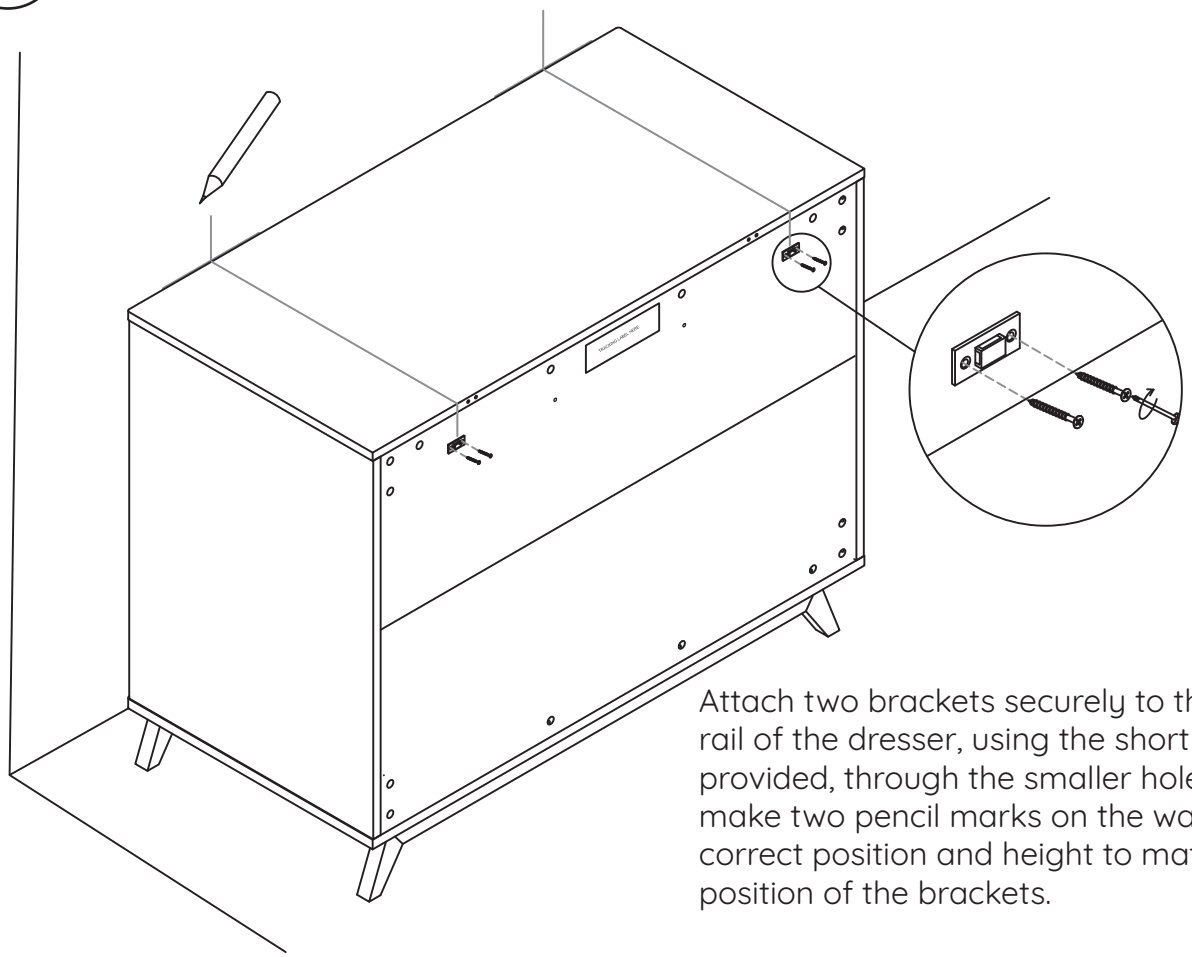

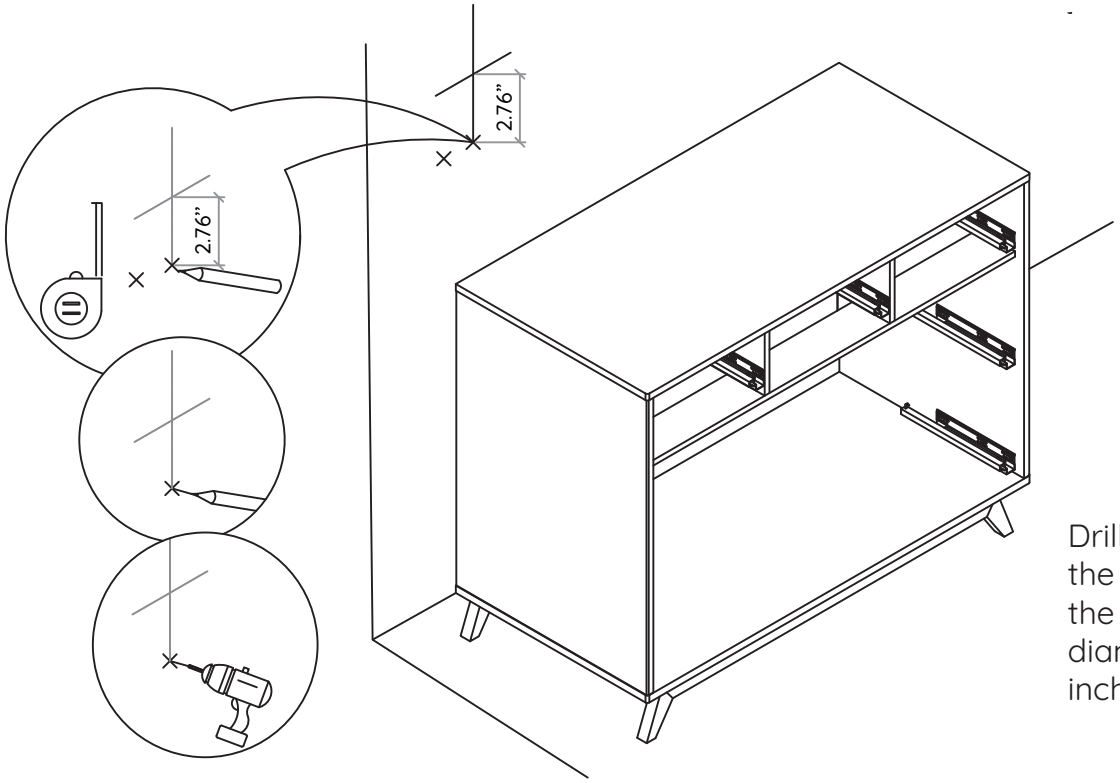

23

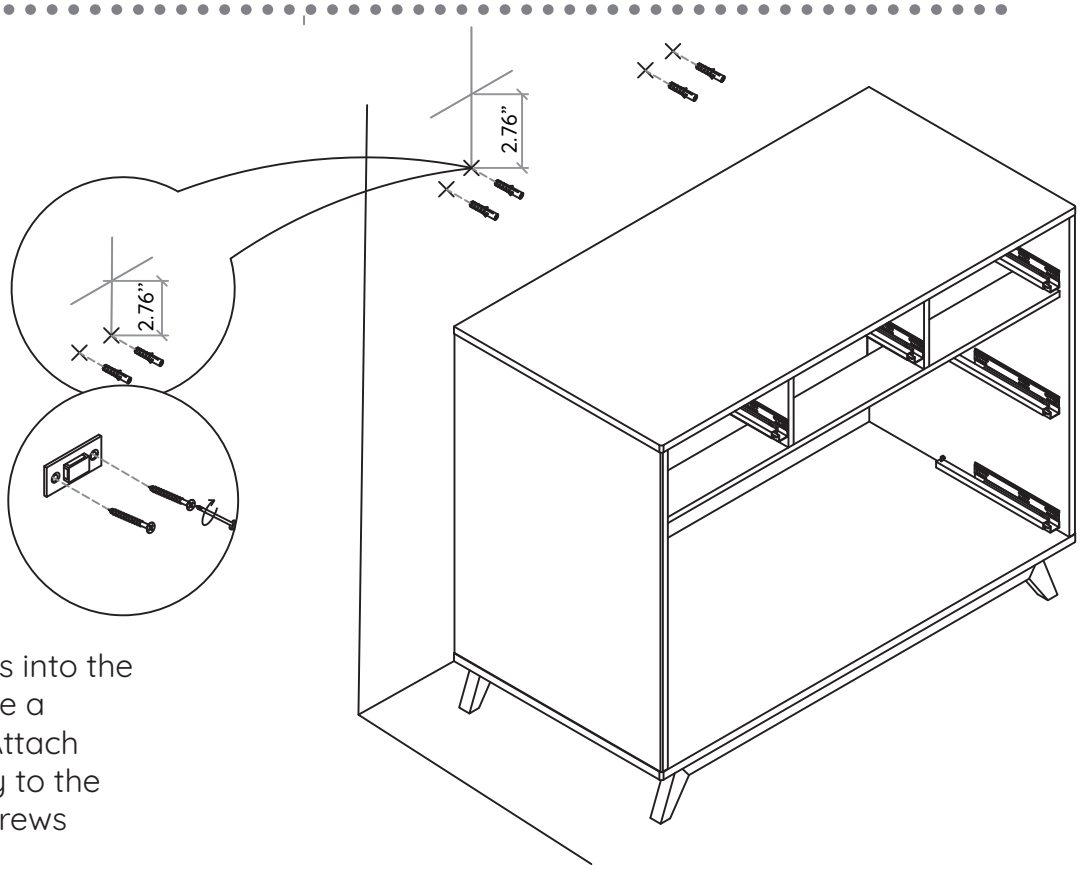

Attach two brackets securely to the back top rail of the dresser, using the short screws provided, through the smaller hole. Then make two pencil marks on the wall at the correct position and height to match the position of the brackets.

24

Drill four holes at the pencil marks on the wall with a diameter of 5/16 inch (8mm)

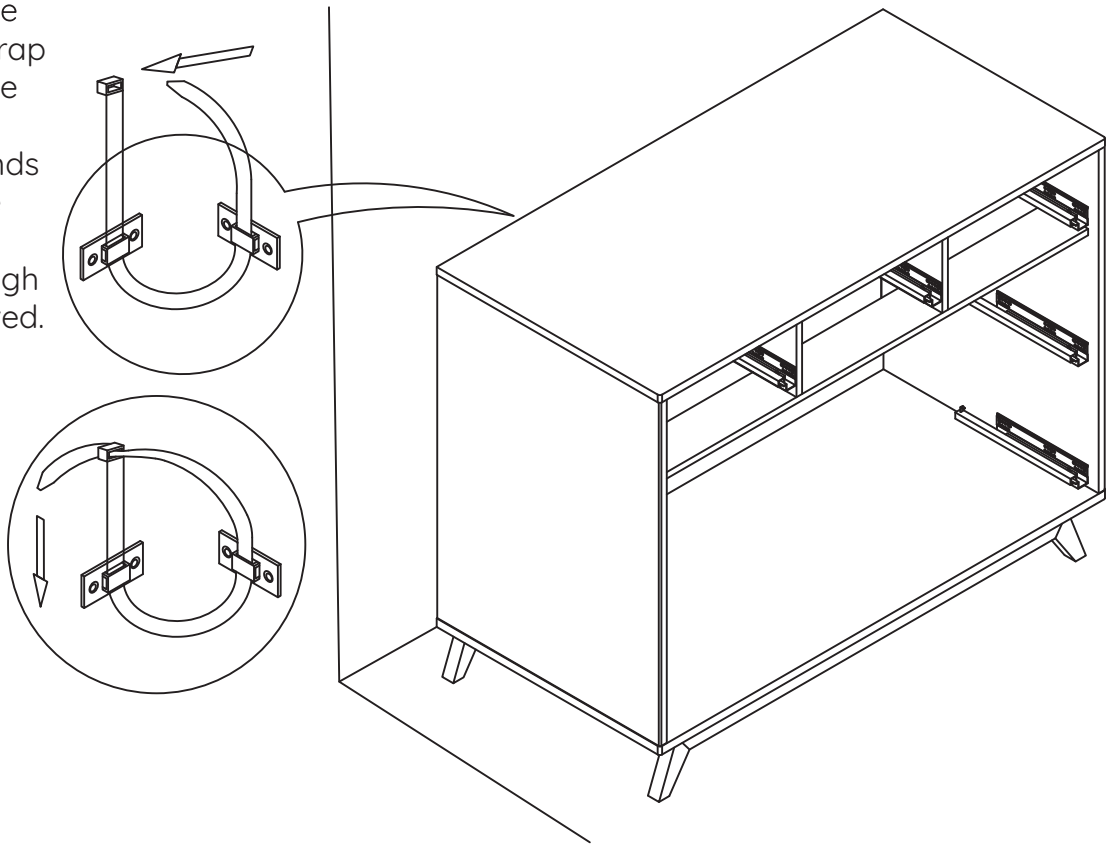

25

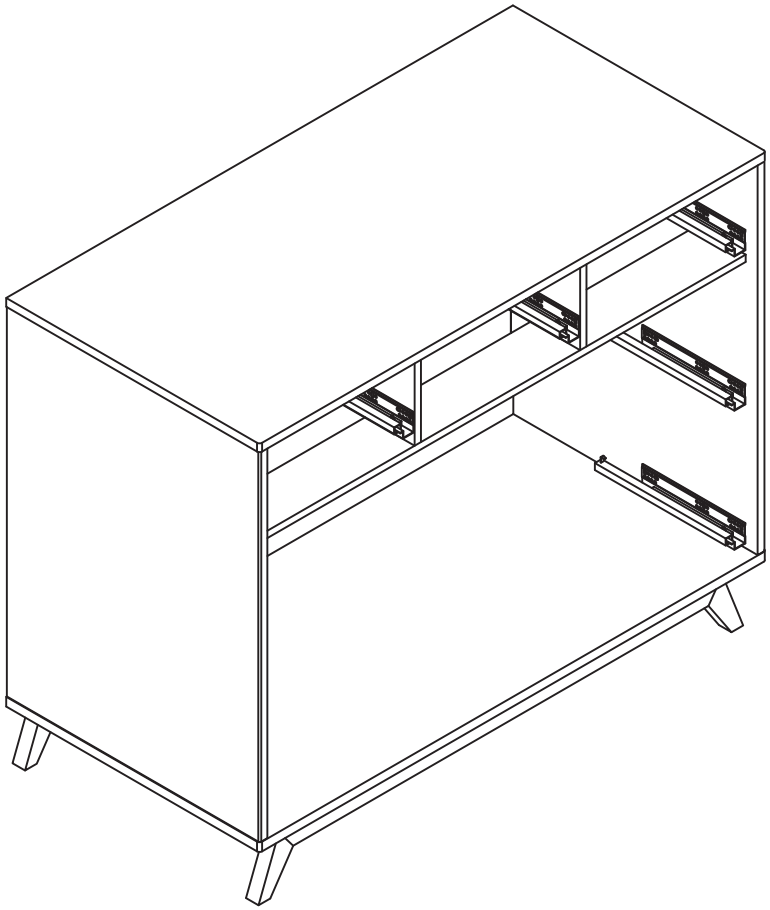

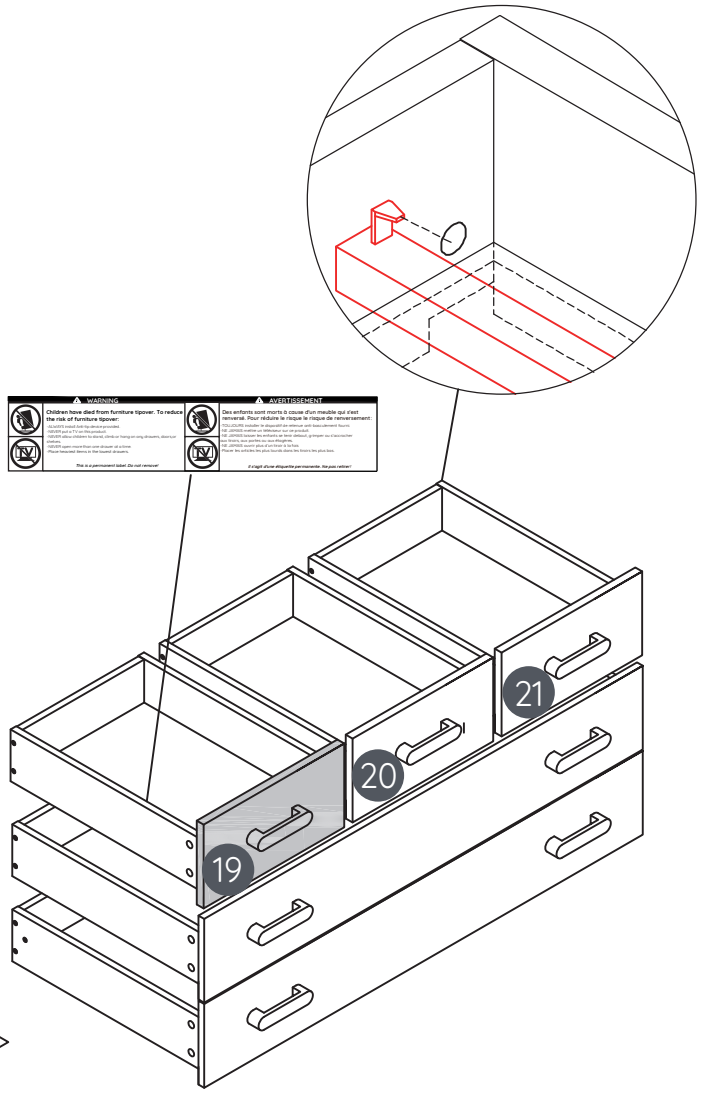

Insert the plastic plugs into the holes on the walls (use a hammer if needed). Attach two brackets securely to the wall using the long screws provided.

26

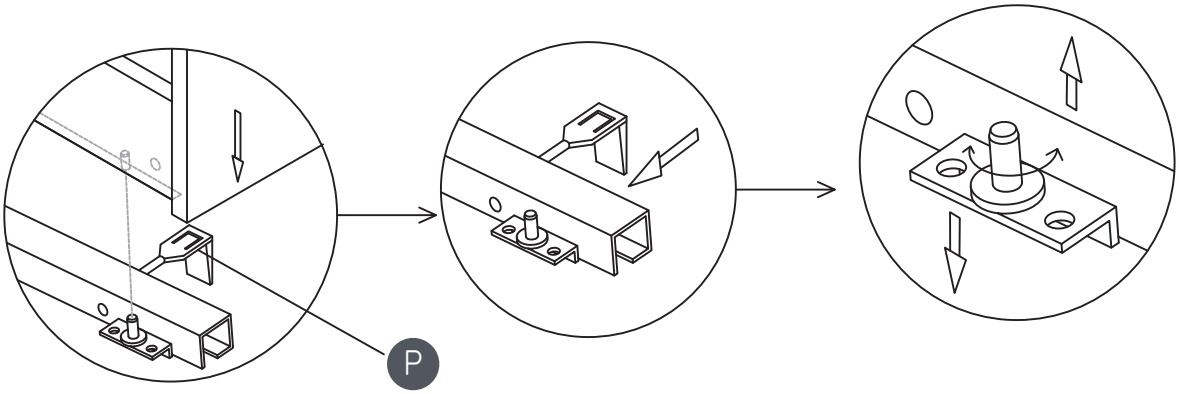

Move the dresser to its final position. Lace one end of the restraint strap through the larger hole on each mounting bracket. Bring both ends together and slide the flat end through the locking end. Pull through until all slack is removed.

Please visit our website for troubleshooting tips or questions on how to level the soft-close drawers

Pull out the drawer glides and the plastic clip from their original position. Carefully align the hook on the end of the glides with the hole on the back of the drawer. Carefully align the pin on the drawer slides with the hole on the sides of the drawer and fasten the clip to secure the drawer.

Leveling out the drawers

Rotate the glide adjustment screw clockwise or counterclockwise to level the drawers

Finish

thank you

for choosing dadada Baby

We hope you enjoy your new product. We would love to hear about your baby's first moments.

Care / Cleaning / Maintenance

- Regular care, cleaning, and maintenance will extend the life of your furniture.
- dadada furniture should not be exposed to direct sunlight, extreme temperatures, or moisture, as this can result in irreparable damage.
- In case of water splashes, remove water immediately and wipe.
- If cleaning is needed, use only a soft, clean cloth, lightly dampened with water.
- Never use abrasive agents or solvents.
- Do not scrub, scratch, or chip the finish.
- Limits of warranty: The use of cleaning agents such as chemicals, scouring powders, or other aggressive formulas can damage the furniture and will void the warranty.

Limited Warranty

- We guarantee this product for a period of 1 year from date of purchase.
- The warranty covers any product failure which may occur due to manufacturing fault.
- The warranty does NOT include normal wear and tear, or parts that are damaged due to incorrect installation and assembly, misuse, or neglect.
- The specific legal rights of this warranty may vary from state to state.
- Some states do not allow any exclusion or limitation of incidental damages.
- Some states do not allow limitation on how long an implied warranty lasts.

1-YEAR WARRANTY

Customer Service

For any missing or faulty parts:
Please re-check your packaging to ensure that parts are missing, then contact our Customer Care team using the contact info below.

Our Care team will need the following information:
- Copy of your receipt
- Model number of the unit purchased
- Description/part number of the missing or faulty part
- Quantity of the parts needed
