

HASHI

Federico Delrosso / 2017

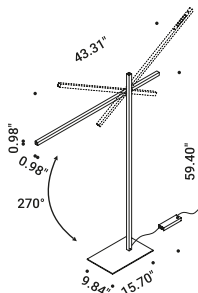

A floor lamp conceived to provide direct light in a simple and flexible manner. Its principle component is the pivot point between two “chopsticks” (Hashi) that serve as light sources which, positioned in different ways, create a strong, graphic effect in space. Particular care has been given to the proportions. The sticks always appear lightweight and balanced.

HASHI

Federico Delrosso / 2017

Floor / Direct / Indoor
