

Wiley 4 Door Sideboard Vintage Brown

When you want storage that still looks intentional. Wiley pulls from modern Scandinavian and Shaker roots to keep things clean, warm, and adaptable. Geometric curves, scalloped edge details, and monolithic round legs give it a confident stance, finished in vintage brown for a deeper, grounded feel. Behind four doors, you've got space to tuck away the not-pretty stuff —made better with weighty brass handles you'll use every day.

- Scandi Meets Shaker: A simple, contemporary silhouette mixes geometric curves with scalloped edge details and monolithic round legs for a balanced, grounded look.
- Warm Mango Wood: Mango wood construction with mango wood veneer over an MDF back and drawer bottoms delivers a consistent finish and a sturdy foundation.
- Honest Joinery: A basic butt joint carcass and rabbet-joined drawers support a straightforward, well-made build that's designed to hold up to daily use.
- Four-Door Storage: Four doors create generous concealed storage for serving pieces and everyday clutter, finished with heavy brass handles that feel solid in-hand.
