

Wiley Desk Vintage Brown

Meet the desk that keeps your to-do list from taking over the room. Wiley blends Scandinavian calm with Shaker restraint, balancing soft curves with an honest, everyday feel. Monolithic round legs and a scalloped edge add personality to the clean rectangle top. Crafted in mango wood with a smooth vintage brown finish, it's grounded, warm, and easy to pair from work corners to living spaces. Brass handles bring a flash of polish—right where you reach.

- Scandi-Shaker Mix: A clean rectangular desk softened by geometric curves, monolithic round legs, and scalloped edge details for an easy, contemporary look.
- Mango Wood Warmth: Solid mango wood brings natural character, while mango wood veneer over MDF supports the back and drawer bottom with a consistent finish.
- Steady Carcass Design: A pared-back form and sturdy frame keep the desk feeling stable, with drawers that open smoothly and sit neatly in the profile.
- Polished Storage Grab: Heavy brass handles make the drawer pull easy and add a bright accent that helps daily work feel a little more finished.
