## Evelyn Dining Table Onyx Marble

The Evelyn dining table is a harmonious contrast of materiality and tactility, where a weighty base meets a green onyx marble top. With five connected sides equipped with softened, rounded edges, the base assumes an organic appearance, its natural color subtly softening the marble top for enduring visual appeal.

- Variation in veining and activity of marble is to be expected; each will be unique
- Oak veneer over plywood with MDF & mix wood base
- Seats 6-8
