Joel Dining Table Dark Brown

Crafted from solid oak, the Joel dining table's 40mm thick round top features a thoughtfully crafted V-groove, adding a visual lightness to the substantial surface. The geometric base, with crisscrossing stretchers, grounds the piece with quiet confidence. A dark brown, wire-brushed finish enhances the oak's natural beauty, creating a focal point of understated elegance.

- 40 mm round tabletop made from two 20 mm layers with a V-groove in between the two slabs of wood as an extra design detail
- Solid oak with a heavy wire brushed finish. Comfortably seats 6
- Simple crossing base with crisscross stretchers to bring together a fluid look to the four-legged base
- Please note that no two items are alike, there will be a natural variation between each piece due to the wood's distinct character, grains & knots in each piece of wood
