Whitney Chandelier Blackened Bronze

The Whitney chandelier's gracefully curved arm in a blackened bronze finish creates a captivating silhouette, while a semi-circle finial serves as a refined focal point. Six lights, nestled in linen blend shades, cast a warm glow, balancing crisp white against dark metal.

- Modern Lines: A wide, sculptural silhouette with gently curved arms makes an eye-catching overhead statement.
- Tonal Layers: Blackened bronze steel pairs with soft fabric shades for a balanced mix of strength and warmth.
- Durable Design: High-quality materials and thoughtful construction make this a fixture built to shine for years.
