

Rae Outdoor Accent Chair Deep Yellow

A chair this relaxed shouldn't be allowed outside—but here we are. The Rae accent chair brings a wide, rounded silhouette and gently curved back to your patio or deck, fully wrapped in all-weather polyester that handles rain, spills, and daily use with ease. Foam-and-polyfill cushioning stays soft through the seasons, while an antiseptic plywood frame and plastic legs keep everything grounded in any conditions. Indoor comfort, outdoor address.

- **Supportive Core:** An antiseptic plywood frame, foam core, and fiber-wrapped cushions bring structure and comfort together, creating a seat that feels supportive and well-resolved.
