Eleanor 6 Drawer Dresser Black

Regency lines, a marble crown—Eleanor dresses a bedroom with intent. Bamboo-style turned detailing runs down a frame finished in matte black, grounded on solid mango wood legs that lift the whole piece. A Banswara marble top adds natural stone character, no two slabs quite alike, while antique brass handles catch the light. Six drawers ride on under-mounted glides with safety stops for a smooth, secure pull. Storage with a stately streak.

- Regency-Inspired Lines: Bamboo-style turned detailing and a generously sized profile give the Eleanor dresser a stately, Regency-leaning presence in the bedroom or dressing area.
- Banswara Marble Top: A Banswara marble top brings natural stone character and veining no two slabs share, crowning the dresser with quiet, grounded weight.
- Mango Wood And Brass: Solid mango wood legs and antique brass handles warm the matte-black frame, balancing the stone top with grounded, natural detail throughout.
- Six Smooth Drawers: Six drawers ride on under-mounted glides with safety stops, keeping storage smooth, secure, and stable through everyday opening and closing.
- Open-Drawer Safety Stops: Built-in safety stops add stability, support, and tip-over prevention, bringing a layer of security to everyday use.

Item Code	RP-1061-02
Swatch Code
