

Pommel Bench

Equal parts athletic and inviting, Pommel takes cues from the sports world and brings them home. Top-grain leather and canvas wrap a solid eucalyptus frame, creating a layered, well-traveled look with real texture and warmth. Rubberwood legs underneath keep things sturdy and grounded through years of everyday use. It seats two comfortably and fits just as well in an entryway as it does beside a dining table. A rustic original that only gets more interesting with wear.
