Mako Bar Cabinet Black

Brass details steal the scene. The Mako turns bar storage into part of the room with a black finish, a clean-lined silhouette, and a setup that keeps hosting feeling easy. Inside, glass shelving, wine storage, and a blue fabric back panel bring order with a little depth. A solid oak frame adds warmth and structure, while matte lacquer keeps the front understated. Smart storage, dressed for after-hours.

- Brass-Lined Presence: A black finish, brass-finished legs and handles, and a rectangular silhouette give this cabinet a grounded look with just enough polish.
- Oak Foundation: A solid oak frame brings natural warmth and structure, while tempered glass shelving lightens the interior and keeps stored pieces easy to see.
- Matte Front Finish: A matte lacquer softens the overall look, letting the mixed materials read clearly while giving the cabinet a calm, understated front.
- Hosting Setup: Adjustable interior shelving, inner glass shelves, and dedicated wine storage create flexible organization, while a blue fabric back panel adds depth.
