

Celeste Cafe Table Green Onyx Marble

Green onyx with a patina in its future—Celeste wears marble like it means it. A square green onyx top rests on an antiqued-brass iron base, the kind of combination that turns a cafe table into a focal point. The natural stone carries veining no two tops share and develops a lovely patina over time, a record of everyday use. Water- and stain-resistant, it handles morning coffee and evening wind-downs alike. Stone, with stories to come.
