

Fable Slipcover Dining Banquette L Shape Beige 96 In

A modular banquette that dresses well and washes even better. Designed with a slight tilt for a relaxed seating posture, the Fable pairs a pillow back with foam seat cushions that keep guests lingering long after dessert. Its snug-fitting beige slipcover stays tailored with inverted pleats and comes off for a wash—just hang to dry. Fully modular, it connects to other Fable pieces with alligator clips to suit different dining table sizes. Seating that adapts to the table, not the other way around.

- Tailored to a T: A snug-fitting slipcover with inverted pleats keeps the silhouette crisp, bringing subtle tailoring details that make everyday dining feel considered.
- Wash and Wear: The 100% polyester slipcover comes off for easy washing and hangs to dry, so the fabric stays fresh no matter how often you host.
- Sit Back, Stay Awhile: Foam seat cushions and a pillow back sit atop a sturdy plywood frame, with a slight tilt that keeps everyone relaxed after plates are cleared.
- Modular by Design: Alligator clips connect this banquette to other Fable pieces, seating up to four while adapting to different dining table sizes.
