

## River Side Table Botticino Marble

Anchored by a sleek iron base adorned with hammered details, the River side table's square base sculpture detail injects an unmistakable artistic flair that is crowned with a soft Italian Botticino marble top. The striking contrast of textures enhances visual interest that captivates and endures.

- **Marble Top:** Italian Botticino marble gives the side table a soft natural surface with varied tone and pattern, with a grounded everyday presence.
- **Sculpted Base:** The square base detail adds an artistic note beneath the marble top, giving the table strong presence, in everyday use.
- **Hammered Iron:** A blackened iron base with hammered texture brings depth, contrast, and grounded material character, while keeping the profile clear and grounded.
- **Natural Variation:** The marble varies slightly from piece to piece, giving each table its own unique veining, through its natural material character.
