

MOE'S

Treccia Round Dining Table Oak

Gillian Segal for Moe's The Treccia dining table is a contemporary reimagining of traditional aesthetics through turned and braided design details. This table showcases exaggerated, intricate detailing on its pedestal base, infusing it with a modern boldness while maintaining functional elegance. The pedestal style is visually striking and exceptionally practical, offering unobstructed space for comfortable seating and effortless conversation.

- Modern Round: A modern round silhouette with sculptural turned legs promotes balanced sightlines and smooth circulation, creating a centered focal point that supports easy conversation during meals.
- Solid Materials:Constructed from solid oak showcasing natural grain variation, paired with discreet iron components for reinforcement and visual contrast that preserves a warm, grounded, everyday look.
- Thoughtful Craftsmanship: Turned leg detailing and a well-balanced base showcase careful woodworking and proportion, delivering a sturdy, design-forward table that feels considered from every angle.
- Seats Six: Accommodates six diners with generous elbowroom, and the circular top maximizes usable surface, eliminates sharp corners, and supports flexible placement in open or compact layouts.

Item Code	BB-1028-24-0
