

Samuel Dining Table Dark Brown

Big dinners deserve a table that doesn't flinch. Samuel pairs a solid oak top with a trestle base that feels grounded, not heavy, so the room stays easy. Red oak brings grain and resilience, while a metal support frame, connecting plate, and brass accents keep it aligned. Reinforced stretchers add confidence under pressure. Rustic, transitional, or contemporary—Samuel plays well with all three. Pull up chairs and let the surface do the hosting.

- Trestle Presence: A trestle-style base and thick top create a confident profile that adds character, working comfortably across rustic, transitional, and contemporary rooms.
- Solid Red Oak: Crafted from solid red oak wood with brass accents, letting natural grain bring warmth while keeping the look clean and focused.
- Reinforced Support: A metal connecting plate and top support frame team with reinforced horizontal stretchers to keep the table steady through years of use.
- Ready For Real Life: The thick top offers a dependable landing zone for serving pieces, homework, or laptops, then wipes down easily when the night ends.
