

Raf Outdoor Accent Chair Natural

This is the chair you claim for “just five minutes,” then keep all afternoon. Raf brings an Arts and Crafts nod outdoors, balancing a teak wood frame with hand-woven twist synthetic **hyacinth** for an easy, natural look. Subtle turned details do the quiet flex, while quick dry foam and outdoor fabric add comfort that doesn't mind a little weather. It's relaxed, well-made, and ready whenever you are.

- Arts and Crafts Ease: Classic craft cues and turned detailing keep the silhouette grounded, giving outdoor lounging a more considered, design-forward feel.
- Outdoor-Ready Materials: Teak wood and twist synthetic **hyacinth** pair with outdoor fabric—97% olefin and 3% polyester—for a finish that's made for fresh air.
- Hand-Woven Character: Each chair is woven by hand, creating subtle variation and texture that makes the natural finish feel layered, not flat.
- Quick-Dry Comfort: Quick dry foam supports laid-back seating and rebounds fast, so the chair stays comfortable even when the forecast changes its mind.
