

Taran Dining Table

A table that doesn't shout—it just shows up and holds the room. Taran keeps dining easy, with a straight-edge top and calm pedestal base that feels centered and steady. Solid sheesham wood brings everyday strength, while a naturally two-toned grain adds quiet character in warm brown. The minimal silhouette lets the material do the talking, so your chairs, food, and people stay the headline. It's the piece you notice the longer you live with it.

- Clean Pedestal Profile: Straight-edge top and simple pedestal base create a grounded, timeless look that pairs easily with modern, rustic, or mixed dining setups.
- Solid Sheesham: Made from solid sheesham wood in a rich brown finish, valued for strength and durability and known for distinctive natural variation.
- Sturdy, Balanced Base: A centered pedestal supports the top with steady weight distribution, helping the table feel stable while keeping legroom open for guests.
- One-Of-A-Kind Grain: Expressive two-toned grain means every tabletop reads a little differently, giving you a unique surface that stays easy to style year-round.
