Flynn Rectangle Dining Table Natural

Turned legs give mango wood room for seconds. A thick rectangular top gives the Flynn dining table a grounded presence, while turned legs bring a classic handcrafted look. The light natural finish highlights the wood grain, keeping the traditional silhouette warm and easy to place. Its long shape anchors everyday meals, shared projects, and lingering dinners with an inviting surface that feels ready to gather.

- Classic Rectangle Form: A thick rectangular tabletop and traditional silhouette give the Flynn dining table a grounded, inviting presence, so the silhouette feels intentional from every angle.
- Natural Mango Wood: Mango wood in a light natural finish highlights the grain, bringing warmth and visible natural character to the dining room.
- Turned Leg Detail: Turned legs add a classic handcrafted look, supporting the thick tabletop with rhythm, detail, and grounded presence, giving the piece a more finished furniture feel.
- Room To Gather: The rectangular shape anchors everyday meals, shared projects, and longer dinners with a clear, welcoming surface, while keeping the design useful day to day.
