Form Classic L Modular Sectional Slate Brown Leather

Named Form for good reason—it takes all of them. Moveable corner and slipper chairs shift this modular sectional from social setting to solo lounging to casual workday, rearranging as easily as your plans do. Its 100% top-grain slate brown leather ages into a rich patina, while the plump, slightly rounded silhouette hides serious structure—foam, feather, and fiber-fill cushions over a solid meranti wood frame with webbing suspension. Better with every rearrangement, richer with every year.

- **Softly Sculpted:** A plump, slightly rounded silhouette with reverse stitching accents gives this modular sectional a contemporary presence in both style and function.
- **Patina in Progress:** The 100% top-grain leather upholstery deepens into a rich patina over time, so the sectional grows more distinctive with every year.
- **Solid at the Core:** A solid meranti wood frame and webbing suspension hold their shape under foam, feather, and fiber-fill cushions made for lingering.
- **Rearrange at Will:** Moveable pieces configure into an L sectional, cozy nook, or private relaxation corner, adapting to social settings and casual workdays alike.
