Goodwin Side Table Heritage Brown

An elongated oak top, low and angled to join the Goodwin lineup. A low profile and angled base detail give the Goodwin side table a relaxed, vintage-modern stance, with a long, low form that lines up alongside the modular seating. Warm Heritage Brown oak veneer highlights the expressive wood grain, keeping the surface grounded and tonal with the rest of the collection. A modular piece that pulls the whole Goodwin grouping together.

- Low and Elongated: A low profile, angled base, and elongated form give the side table a relaxed, vintage-modern silhouette that echoes the Goodwin seating.
- Warm Heritage Brown: Warm oak veneer in Heritage Brown highlights the expressive wood grain, bringing a grounded, tonal warmth that ties into the collection.
- Angled Base Detail: An angled base detail anchors the elongated top with a sculptural, architectural stance, keeping the low silhouette steady and considered.
- Modular Companion: Designed to align with the Goodwin modular seating, it works as a flexible surface that moves with the layout as the room changes.
