

Graham Storage Coffee Table Dark Brown

A trunk coffee table, reimagined, with drawers that open from either side. A solid oak frame in a rustic dark brown finish grounds the Graham, while a rounded tabletop softens its clean, contemporary silhouette. Two discreet drawers offer storage you can reach from both sides, keeping remotes, books, and odds and ends close but out of view. Straight legs add contrast and lift. A classic form with a smarter, more livable layout.

- Storage Both Ways: Two discreet drawers open from either side, keeping everyday items close at hand and neatly out of sight from any seat around the table.
