Claudia Sideboard Natural

Coastal without the clichés, woven entirely by hand. Natural rattan wraps the Claudia sideboard from end to end, its hand-woven texture bringing warmth and an easy, relaxed character to a dining room or hallway. A mango wood frame anchors it all, keeping the lightweight look grounded and sturdy. Every panel is shaped by hand, so no two pieces read exactly alike. Storage with a coastal accent and a maker's touch.

- Coastal, Made Modern: A coastal aesthetic gets a modern, clean-lined update, giving the sideboard a relaxed presence that works in a dining room, entryway, or living space.
- Natural Rattan Body: Natural rattan covers the piece end to end, its woven surface adding genuine texture, warmth, and organic depth you can see and feel.
- Woven by Hand: Each panel is expertly woven by hand over a mango wood frame, so small natural variations mark every sideboard as genuinely handmade.
- Room to Store: As a sideboard, it offers everyday storage for a dining or living space, keeping essentials close while doubling as a surface for serving or styling.
