Clea Sideboard Heritage Brown

A solid oak edge frame with the heft to anchor the room. Solid oak legs and an edge frame surround an oak-veneer cabinet, giving the Clea sideboard substance and warmth for a grounded, dining-ready statement. Deep Heritage Brown brings out the oak grain, while a defined edge frame lends a modern, architectural look and smooth-gliding drawers keep everyday reach easy. A wide cabinet hides serveware, linens, and dining essentials — no assembly required.

- Architectural Edge Frame: A generous silhouette with a defined solid oak edge frame gives the sideboard a modern, architectural look with genuine substance.
- Heritage Brown Oak: A solid oak leg-and-frame structure surrounds an oak-veneer cabinet, with deep Heritage Brown drawing out depth and warmth in the natural grain.
- Considered Throughout: Clean, considered detailing carries across the piece, with crisp lines and sturdy construction that keep the wide cabinet feeling finished from every angle.
- Dining-Ready Storage: A wide cabinet offers concealed storage for serveware, linens, and everyday dining essentials, with smooth-gliding drawers and no assembly required.
