

Komi Mancala Board

Mancala gets a design upgrade—acacia wood meets pink marble beads. The classic strategy game turns into a piece worth leaving out, with a solid acacia board grounding the play and pink marble beads adding a playful, design-forward spark. The marble's soft sheen plays against the dark wood for contrast that feels considered and intentional. Functional, beautifully crafted, and easy to style into any room—a game that earns its place on the table.

- A Modern Play: A design-forward take on classic Mancala brings the strategy game into a contemporary room with a look worth keeping in view.
- Solid Acacia Board: The board is crafted from solid acacia wood, grounding play with the warmth, depth, and natural grain that only real hardwood brings.
- Pink Marble Beads: Pink marble beads play against the dark wood for a contrast that feels considered, adding a soft, design-forward spark to every round.
- Gift-Ready Piece: Functional and beautifully crafted, it works as a thoughtful gift and styles easily into any room, ready for play or simple display.
