

# FEZ TABLE

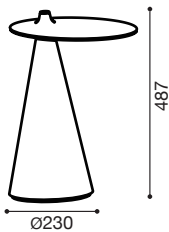

**Design:** 2026  
**Designers:** Nao Tamura

The FEZ Side Table draws its name from the iconic fez hat — a form defined by its confident geometry and cultural resonance. Conceived by Nao Tamura, the table distills a bold conical silhouette into a refined domestic object. The powder-coated iron construction lends weight and permanence, while the considered proportions allow the piece to function equally as a sculptural accent or a practical surface. Offered in an edited palette of matte finishes, FEZ invites arrangement — a single statement or a composed grouping — bringing a quiet theatricality to any interior.

Oval

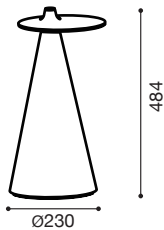

Type: Side Table

**Dimensions** W400mm x D300mm x H487mm  
**Weight** 14.2kg  
**Materials**  
Iron– Fine Sand Powder Coating (PC finish), Concrete  
**Color**  
● Striking Blue (PANTONE 072C)  
● Cosy Grey (PANTONE 7536C)  
● Olive Green (PANTONE 5743C)

Maximum load on tabletop: 3.2kg

Round

**Dimensions** Ø230mm x H484mm  
**Weight** 5.3kg  
**Materials**  
Iron– Fine Sand Powder Coating (PC finish)  
**Color**  
● Hazel (PANTONE 723C)  
● Cosy Grey (PANTONE 7536C)  
● Olive Green (PANTONE 5743C)

Maximum load on tabletop: 8kg

Packaging Dimensions	Gross Weight	Packaging Type
Oval		
L370mm x W370mm x H530mm	18kg	Cardboard, Polythene, Bubblewrap
Round		
L340mm x W340mm x H530mm	7kg	Assembly: Required (Flat-packed)
Volume: ≈ 0.17m³		
Qty per Carton: 1 pc		

Care & Maintenance	Notes:
Clean surfaces with a soft, dry or slightly damp cloth and wipe spills immediately. Avoid abrasive cleaners, excessive moisture, and harsh chemicals. To preserve the finish, keep away from direct sunlight, heat sources, and high humidity. For upholstered versions, vacuum regularly and blot spills promptly with a clean cloth. Professional cleaning is recommended when needed. Regular care will help maintain the chair's appearance and performance over time.	Designed for indoor use only. Ensure this item is kept upright at all times during handling and transit. When handling the piece, we advise that all jewellery, watches etc. are removed to avoid scratches to the powder coating surface. Keep away from heat sources such as radiators & fireplaces. Ensure the product is correctly assembled in accordance with the provided instructions. We recommend that fixings and joints are checked periodically to ensure stability.
