Thales
wall light

1. Product Overview

Metal wall light providing soft, diffused illumination through a satin-finished opal glass shade. The softly diffused light provides comfortable ambient illumination, while the front decorative disc adds a distinctive design detail and can be customized for signage. It is ideal for bathroom and hospitality environments, combining functionality with refined aesthetics. Integrated dimmable LED.

2. Finishes & Materials

Shade: White Opal Glass

Body: 20 Metallic Gold
87 Bronze
96 Anthracite

3. Light Source & Dimming

Lamping
LED 9W
(2700K / Ang. 124º / >90 CRI / 350mA)
120V / Typ* 1271 lumens
*Integrated LED module (included).

Dimming options:
Standard: TRIAC & 0-10V

4. Functionality & Accessories

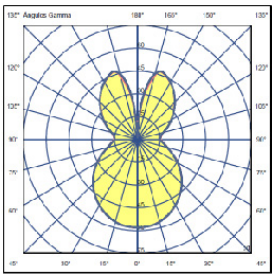

Optional laser-cut signage.

7. Certifications & Standards

Warranty: 1 year
100% made in Spain

Estiluz products are guaranteed against manufacturing defect for one year from date of delivery. Estiluz products with integral LED modules and drivers are guaranteed against manufacturing defects for five years from date of delivery. This guarantee is limited to replacement of defective material and does not include any labor, expenses or damages contingent or incidental thereto. This warranty does not apply to products damaged due to accident, tampering, misuse or abuse.

8. Maintenance & Cleaning

Our lighting fixtures are crafted with high-quality materials and finishes to ensure durability and timeless elegance. To maintain their original beauty, please follow these care recommendations:

1. Regular cleaning: Dust the fixture regularly using a soft, dry microfiber cloth to prevent buildup.
2. For deeper cleaning: If necessary, use a slightly damp cloth with clean water. Always dry the surface immediately with a dry cloth.
3. Avoid harsh products: Do not use alcohol, abrasive cleaners, solvents, or detergents, as they may damage the finish and alter the appearance.

In case of failure, LEDs can be easily replaced.
