

Spindle dresser - reclaimed teak - 4 drawers 150/56/83

14177

Description

The Spindle collection found its inspiration in the traditional spinning wheel. Slightly tapered legs and rounded edges add a soft, sensual quality to this beautiful bedroom collection. This dresser is just as much at home in the bedroom as it is in commercial spaces as a stylish storage solution.

Please consider product imagery as an indication only, each reclaimed teak item will carry its very own identity.

Designer Nathan Yong

Inspired by observation of the visual environment, Nathan Yong challenges the existential questions of the objects. Instead of superfluous details, he captures the poetry of products through a stripping process. Objects lend qualities that are informed by a lightness of restraints. Based in Singapore, Nathan runs a multi-disciplinary design consultancy spanning fields such as graphic, industrial, interior and architectural design, along with strategic planning in product development, manufacturing process and branding.
