Description

The Spindle collection found its inspiration in the traditional spinning wheel. Slightly tapered legs and rounded edges add a soft, sensual quality to this beautiful bedroom collection. This dresser is just as much at home in the bedroom as it is in commercial spaces as a stylish storage solution.

Features 4 drawers.

Designer Nathan Yong

Inspired by observation of the visual environment, Nathan Yong challenges the existential questions of the objects. Instead of superfluous details, he captures the poetry of products through a stripping process. Objects lend qualities that are informed by a lightness of restraints. Based in Singapore, Nathan runs a multi-disciplinary design consultancy spanning fields such as graphic, industrial, interior and architectural design, along with strategic planning in product development, manufacturing process and branding.
