Description

The Wabi Sabi collection of glass trays is inspired by nature. Designer Dawn Sweitzer explains: "While traveling through the blue ridge mountains, the vista became almost like a layered water color painting. Sky blues, grey and mist colors layered the horizon. As the sun was setting it took on a whole new color palette with warm autumn hues like sienna, sand, sepia." Or how you can find beauty in the not-so-perfect.

Pair with the Oblong Tray side table.
