Description

Experimenting with the concept of duality, the Gilded Layers collection of trays captures the golden glow of the sun at dawn and dusk's twilight. Indigo hues with splashes of gilded tones are reminiscent of the morning blue sky, while the shimmering gildings contrasted against deeper shades mirror the moment right before night falls. Clean lines and splashes of gold impart a contemporary aesthetic into this collection.

Designer Dawn Sweitzer

An overflow of creative energy and a profound interest into the world of craftsmanship is what jump-started Dawn Sweitzer's journey as an artist. Her works are expressions based on travel, enriching cultures, textures within the landscape, photography, food and fashion. There is no fixed formula to how designs are conceived, they blend ideas, they reference vintage with modern. Within her beautiful North Carolina studio, Dawn works, plays and discovers in a variety of media: paint, woven textile, mirror and glass, home accessories and decorations
