Description

The Second Nature tray collection is inspired by the organic shapes and abstract shadows of nature; stacked rocks, the bark of a tree, the markings on a turtle's shell. A harmonious blend of organic inspiration and contemporary design, Second Nature perfectly layers hand-printed glass over the warmth of wood. The artistry of the moss green and metallic ink palette brings a quiet sophistication to its surroundings.

Designer Dawn Sweitzer

An overflow of creative energy and a profound interest into the world of craftsmanship is what jump-started Dawn Sweitzer's journey as an artist. Her works are expressions based on travel, enriching cultures, textures within the landscape, photography, food and fashion. There is no fixed formula to how designs are conceived, they blend ideas, they reference vintage with modern. Within her beautiful North Carolina studio, Dawn works, plays and discovers in a variety of media: paint, woven textile, mirror and glass, home accessories and decorations
