

Roan lounge chair cushion set - Flax fabric 52/58/30

21761

Description

The Roan lounge chair is based on a 1930s original by Paul Poiret, reinterpreted in a form that feels steady and composed. A solid wooden frame surrounds a generous seat, creating a compact chair with a grounded stance. Defined by clean lines and structured arms, Roan offers comfort without excess. Easy to place and naturally suited to both hospitality and residential spaces, it works beautifully in pairs. A thoughtful re-edition that brings vintage character into the present.

Frames and cushions can be ordered separately or together as a complete product.
