

## ARIA 13.5"H SCONCE

### DESCRIPTION

Adjustable sconce inspired by the sophistication and versatility of necklace charms. This collection empowers you to curate your unique piece with its five exquisite finishes and four distinct charm designs meticulously crafted using opulent faceted optic crystal. Each charm shines like a gem, captivating attention. Whether you desire the delicate dance of light reflecting off the crystal or the functional illumination from above, Aria's integrated LED lights bring your vision to life.
