

The ISABELLE collection designed by Héctor Serrano stands out for its wavy and delicate texture reminiscent of elegant vases. Emitting a soft, warm light through an opal glass diffuser, its waves play with light and shadow giving it a unique personality. The ISABELLE 400 pendant light fits perfectly into any space, whether domestic or contract. It is available in three complementary designs which can be used individually or together depending on the ambience desired.

## General characteristics

Fixation	Ceiling
Type	II
IP	20
voltage	100V-240V
Hertz	50/60Hz
