

TATAWIN is a family of light fixtures designed by Adolfo Abejón. The shape of the shade is reminiscent of the upper part of the characteristic houses of Tataouine, a city in southeast Tunisia. TATAWIN S is a pendant lamp with a white opal glass shade.

## General characteristics

<b>Fixation</b>	Ceiling
<b>Type</b>	II
<b>IP</b>	20
<b>voltage</b>	100V-240V
<b>Hertz</b>	50/60Hz
<b>Cable length</b>	2000 mm
<b>Max. Power</b>	15W

## Material

<b>Body/Structure</b>	Steel
<b>Screen</b>	Glass

## Finish

<b>Body/Structure</b>	Satin Black
<b>Screen</b>	Opal

## Lighting characteristics

<b>Light source included</b>	No
<b>Light source</b>	E27
<b>Recommended bulb</b>	E27
<b>Light direction</b>	Ambient lighting
