POWER CHARGER WITH ELECTRICAL CABLE & PLUGS

Fig.1

RECHARGING THE BATTERY. Insert the plug (G) in the power adaptor (H) in the preferred working position (the plug can be inserted in any side of the power adaptor block) until you hear the snap-in click (use the correct type of plug for the country the lamp is installed in); to remove the plug press the power adaptor's push button (I). Insert the USB plug (L) of the cable provided in its housing (M) on the power adaptor then insert the micro-USB plug (O) into the lamp's connector (P).

WARNING! When installing and whenever acting on the appliance, ensure that the power supply has been switched off. For the installation of the spare-part, it is necessary to consult a qualified electrician.
