

IC Lights T2

Designed by Michael Anastassiades, 2014

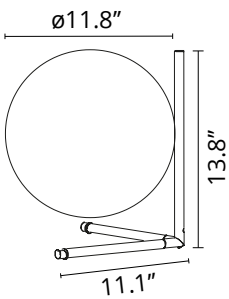

Halogen - 100W

Like the other pieces in his IC Light Series, the IC Lights table balances designer Michael Anastassiades' love of industrial simplicity with intricate symbolism. It provides diffused light through a mouth blown opaline sphere, which is held up by a brass-plated steel, black or chrome frame. There is a dimmer on the power cord. IC Lights table lamp comes in two models in brass or gold finish. Discover the complete IC Lights collection here. Inspiration behind the design: Poise is powerful: That's the message Michael Anastassiades offers with his IC Light Series. From the skillful balance of the sphere and baton that invokes thoughts of a dexterous juggler's act to the lamp's name-IC, a reference to the identity code used to evaluate immigrants entering the UK-the designer makes a commanding statement.

Main specifications

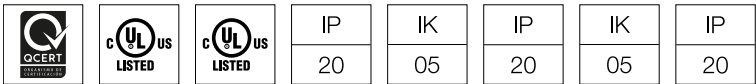

Mounting	Table
Environments	Indoor dry location
Light Source Type	Bulb
Lamp category	Halogen
Lamp type	T10
Lamp holders	E26
Number of heads	1
Power (W)	100

Physical

Color	Brass
IP internal	20

Download

Mounting instructions

Photometric

Lighting type	Total
Light distribution	Asymmetric
Extreme cut off	No

Electrical

Insulation class	II
Frequency (Hz)	60
Main voltage (Vac)	120
LED voltage Vf (Vdc)	null
Dimmable	Yes
Dimming interface	Dimmer Integrated
Plug type	Type A
Batteries inside	No

Bulbs

NOT INCLUDED

RF34655

15W E26 T38 Led Lamp

Spare Parts

01.	IC Lights 2 diffuser for brass version	F3137059
02.	Gasket and foot kit	RF3160500
03.	Black Dimmer Switch	RF28206
04.	Lower brass leg	RF23342
