## RF4651100

ONTHEROCKS 1 HL DIFFUSER ASSEMBLY

Collocate the diffuser on the wall attachment by resting the rod (H) in the appropriate seats (I) and by ensuring to respect the assembly direction as pointed out from the label (M).

To facilitate such procedure, hold the internal diffuser (L) by lifting it up as indicated in the figure on the left hand side.

Once completed the assembly, remove the arrow label (M).

**WARNING!** When installing and whenever acting on the appliance, ensure that the power supply has been switched off. For the installation of the spare-part, it is necessary to consult a qualified electrician.
