

BIANCA SMALL

Matti Klenell, 2015

Bianca is a family of luminaires with the decoration on the diffuser surface features an orderly series of shallow delicate grooves etched into the white glass, yielding an effect resembling small footprints on fresh snow. Mouth blown, belt sanded and dipped in acid to obtain the distinctive 'silk effect' typical of fine glassware, Bianca diffusers are available in three different diameters.

Wall lamp with indirect light dimmable. Milk-white diffuser made of blown glass with satin-finish. Painted metal frame. Bulb not included.
