

PAROLA – WALL

Gae Aulenti, Pietro Maria Castiglioni

Designed by Gae Aulenti and Piero Castiglioni in 1980, the Parola lamp features three different kinds of glass working processes: blown glass, natural glass and natural crystal. It is an exemplary model of technical integration between artisan and industrial skills.

PAROLA - WALL - AMBER

SPECIFICHE TECNICHE

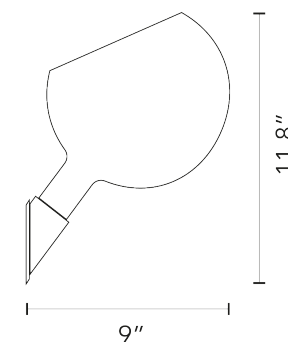

Material	Glass,Metal
Switching	Dimmer included
Emission	Diffused light
Total power	46W
