# General Instructions

PLEASE READ BEFORE INSTALLATION

## WARNING:

The safety of this fitting can only be guaranteed if the following instructions are observed during both installation and use. Please retain these instructions safely after installation.

## PLEASE OBSERVE THE FOLLOWING GUIDELINES:

- Ensure that the power supply has been switched off prior to installation or removal of the product.
- Never undertake an electrical installation without the proper knowledge or training. If not familiar with electrical wiring, contact a qualified electrician.
- The product may in no way be modified or tampered with. Any modification may compromise safety and make the product itself dangerous to use. FERM LIVING does not accept any responsibility for products that have been modified.
- This product requires the use of a lightbulb that is not included. Please use a lightbulb that has the relevant safety certifications and approvals for your area.
- Any modification must be performed only by qualified personnel to avoid any danger.
- This product is meant for indoor use only.
- This appliance should not be disposed in a domestic trash receptacle and should instead be recycled appropriately.

## GENERAL INSTRUCTIONS:

This portable luminaire has a polarized plug (one blade is wider than the other) as a feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician.

Never use with an extension cord unless plug can be fully inserted. Do not alter the plug.

**TO PREVENT ELECTRIC SHOCK, MATCH WIDE BLADE OF PLUG TO WIDE SLOT  
POUR EVITER LES CHOCS ELECTRIQUES, INTRODUIRE LA LAME LA PLUS LARGE  
DE LA FICHE DANS LA FENTE LA PLUS LARGE**

## CLEANING INSTRUCTIONS:

- Use only a soft cloth to clean the product. Dampen the cloth with water and soap or a mild cleanser if needed
