Product Fact Sheet

Plyo Accent Table

Plyo is a family of furniture inspired by smooth river stones, conveying balance and a sense of calm. The Plyo Accent Table takes its cues from French guéridon tables, celebrated for their elegant proportions and intimate scale. Featuring a slender pedestal base topped with an organic stone surface, it is crafted from electro-galvanised, powder-coated steel and Rosso Levanto marble. The Plyo Accent Table works beautifully as a drinks table, sofa-side accent, bedside perch, or sculptural standalone piece - suitable for both indoor and outdoor use.
