 **Recommendations**

- Do not poke with sharp objects, this might cause the fabric to tear, exposing the filling
- Please iron on the lowest temperature to activate the water-repellent coating after long term use
- Long-term exposure to outdoor conditions may harm the quality of your product, store your product when not in use in a dry and shady place to increase its longevity
- Please make sure the product is clean and dry before storing

HOW TO ENJOY YOUR PRODUCT TO THE MAX
