## Tamu Barstool

Citizen Artist × STUDIO|A HOME

### DESCRIPTION

The Tamu seating collection pairs a fully upholstered form with a negative-pitch profile and fold-over pillow back for exceptional comfort. Available as a dining chair, counter stool, and bar stool- with bronze-finished metal stretchers on taller versions. Its generous curves and quiet presence evoke the enduring forms of African pachyderms. Only when the body rests will the heart speak freely.

### DETAILS
