Bouclier Mirror

Citizen Artist × STUDIO|A HOME

DESCRIPTION

The Bouclier Mirror takes its name from the French word for "shield," recalling ancient emblems of protection and strength. Crafted from jute-wrapped iron with a verdigris finish, its circular frame radiates outward in a geometric web of structure and defense. The warrior knows: true protection comes not from what we hide behind, but from what we are willing to see.

DETAILS

French Cleats
Frame Material : Iron
